Weddings at the Villa Weiss

La Villa Weiss is not a usual lady. Her years of experience taught her how to have a good time, thus has earned her title as “hostess with the mostess”.

Especially for wedding celebrations she goes full out. Life is a party, so she continues to celebrate the happiness of life with her guests.

What would be your dream wedding?

Our lady puts high emphasis on personalisation and attention to detail when it comes to planning weddings. Reaching from an intimate ceremony at sunset in the gardens overlooking the lake to an entertaining evening celebration with dinner and music - we aim to dress our lady up for success time and time again to please our wedding party.
